As above, but plain black tops. Shorter skirts (but not above the knee) can be worn, but please observe the note about black hosiery.

**JEWELLERY** – although ‘pearls’ are preferred, a simple silver or gold cross can be worn as an alternative. (NO scarves)

### **AD HOC**

Occasionally we use a basic plain white top, full or  $\frac{3}{4}$  length sleeves. Likewise a scarf (pastels or bold). It would be useful, if you do not have these currently, to pick something up as you see it. Supermarket or charity shop buys are quite acceptable.

The reason we request full or  $\frac{3}{4}$  length sleeves and black hosiery!

**Perfume, hairspray, body sprays – AWARENESS** Whilst there is no ban on the use of perfume, hairspray and body sprays, we would ask members to be considerate to those who are affected by these. Please wear lighter fragrances and avoid over-use in confined spaces.
